Telephone Policy: We appreciate that you will need to contact us from time to time and often this need will be urgent. We have thus devised the following policy to ensure that your questions are dealt with in the shortest possible timeframe. We suggest you use the business telephone number as your first point of contact. The nature of our business involves on and off site work and if you are unable to contact us on the business number, you WILL be able to leave a message that will be dealt with promptly. For less urgent matters please utilise email or facsimile facilities listed below. This allows you to leave a detailed message and we will then deal with your request as soon as possible. We do not normally offer phone support outside of business hours.

Invoicing Policy and Schedule of Fees: A full schedule of fees is attached. The prices listed will apply unless otherwise quoted. Hourly rates are subject to change. We are committed to delivering value for money and will adjust rates in accordance with market conditions. However, payment for software, hardware and other goods are to be paid for prior to ordering. We expect fees to be paid upon receipt, which is communicated on our invoices.

We send statements at the end of each month for balances that remain unpaid. If all or part of an account remains unpaid after the allowed payment period, we reserve the right to charge interest on the unpaid balance amount at the fixed rate from time-to-time under the penalty Interest Rates Act 1983. We also reserve the right to cease the provision of services until any monies outstanding for longer than 30 days are paid in full or alternative payment arrangements are agreed to in writing.

Yours Faithfully
